

Community engagement so far

Renewal SA is committed to ensuring that key stakeholders, including the local community, are engaged as part of the master planning process for the development of the former West End Brewery site at 107 Port Road, Thebarton.

Prior to Renewal SA acquiring the site, stakeholder and community engagement occurred as part of the Code Amendment process. Engagement activities included consulting with stakeholders and the community, with the purpose of raising awareness of the proposed Code Amendment, gaining a comprehensive understanding of how the community felt about the proposed changes and providing opportunities for direct feedback that would be used to inform the final form of the Code Amendment.

Feedback received from the Code Amendment engagement in mid-2023 revealed overall, nearly 75% expressed support for the Code Amendment with key interests and concerns being:

- ▼ Increasing open space
- ▼ Improving connections – for active travel
- ▼ Traffic management
- ▼ Density and built form.

Renewal SA is taking a staged approach to planning for the Thebarton site. Following the Code Amendment engagement, a draft master plan has been developed.

Your feedback today will help refine the Thebarton Master Plan.

Code Amendment engagement – completed

Community engagement occurred mid-2023. Engagement report published July 2023. This feedback helped the development of the draft Thebarton Master Plan.

Community engagement – NOW

Building on community's ideas and aspirations for the site from the Code Amendment engagement.

This step is seeking community's views on the design principles and key elements for the draft Thebarton Master Plan, and enabling the community to meet, talk and provide feedback to Renewal SA at a drop-in session and online.

The community engagement report will be published in October 2024 ahead of releasing the Thebarton Master Plan.

Social Pinpoint

Renewal SA uses Social Pinpoint, a widely used and successful online engagement tool, to collect community feedback for its projects.

Social Pinpoint has been used for public engagement successfully by many councils and government agencies (including Renewal SA) in Australia and globally.

Social Pinpoint features include interactive maps, ideas walls, surveys and informative pages.

How do I use Social Pinpoint?

Social Pinpoint allows you to access information and provide feedback quickly and conveniently – using a computer (desktop/laptop) or a mobile device.

Start by reading the information provided on the Welcome page, access more information from the sidebar menu (left), to learn more about the project and how you can provide your feedback.

The 'map' presents the project site where you can access more detailed information by selecting your area of interest from the legend or by clicking on the specific area of interest on the map. Project information, images, illustrations and mini-survey questions will appear for your feedback (ideas/comments, image upload, voting, rating and much more).

You can visit the Social Pinpoint project site as many times as you wish during the engagement period.

If you require further information or assistance, including alternative ways to provide feedback please contact the Renewal SA Engagement Team on 1300 336 678.
