This infographic provides a snapshot of the redevelopment of Tonsley Innovation District to date and progress over the last 12 months.

Overview
Tonsley is now home to:
- 32 businesses.
- 1400 working individuals.
- 150 co-working members.
- 6500 students each year.
- Leased space equivalent to 1.5 times the floor area of the CBD’s 20 storey ANZ House.
- Over 300 classic Chryslers returned to Tonsley for the All Chrysler Festival in February.

New to Tonsley
The Tonsley community is continuing to grow with many innovative organisations establishing a presence here.

Innovation for the future
In the past 12 months, many innovative projects commenced at Tonsley.

- **Future connectivity**
  - GIGCITY
  - GigCity launched, providing affordable internet speeds up to 100 times the national average.

- **Future energy**
  - The Australian Gas Infrastructure Group committed to establishing an Australian-first hydrogen production and distribution facility at Tonsley.

- **Future mobility**
  - Two autonomous vehicle trials are underway at Tonsley.

- **Future ageing**
  - The Global Centre for Modern Ageing, a facility that will trial new technologies focussed on the ageing well principle, was completed.

- **Future manufacturing**
  - Flinders University’s Tonsley Manufacturing Innovation Hub launched, assisting manufacturers to understand and apply Industry 4.0 technologies including robotics and automation.
Global recognition

Tonsley’s innovative environment continues to draw attention from around the world.

- Over 25,000 visitors to large events, including Science Alive, Maker Faire and Hybrid World Adelaide.
- National media coverage of over 450 items.
- Even 7 world leaders and 13 ambassadors visiting Tonsley during Hybrid World Adelaide.
- 17 tours given to international delegations, including 6 for international ambassadors.
- 79 events and tours.

A place to collaborate

Tonsley takes pride in building a vibrant collaborative community.

- Tonsley Connections, an event held bi-monthly for the Tonsley community, has brought hundreds of people in the district together.
- The inaugural Tonsley Squash Corporate Cup was won by SACE.
- Future collaborations are expected with the redevelopment of Tonsley’s Boiler House into a new micro-brewery, restaurant and café, which was recently announced.
- Tonsley’s reach is extending globally, with partnerships being developed with other innovation districts worldwide, including Adlershof in Germany.

Australia’s most awarded

Tonsley continues to receive recognition as a world-class innovation district.

- 2 National Good Design Awards.
- 1 Australian Urban Design Award.
- 2 Property Council of Australia Awards.

19 awards and counting

- Sustainability
- Best Overall for Architectural Design
- Delivered Outcome Large Scale
- State Development of the Year
- Development Innovation
A commitment to sustainability

Tonsley is recognised as a world-leader in sustainable design and building practices.

Australia’s first urban renewal development to achieve the 6 Star Green Star – Communities certification by the Green Building Council of Australia.

353 trees and 10,571 plants planted in the last 12 months.

86,580 sprays by Tonsley’s iconic Central Forest misters keeping the trees and plants nearby healthy and lush.

The adaptive reuse of the MAB prevented the loss of 90,000 tonnes of CO2 embodied in its original construction, equivalent of taking 25,000 cars off the road for 1 year.

When complete, Tonsley’s District Energy Scheme will include 20,000 solar panels installed on the 8 hectare MAB and Tonsley TAFE roofs, making it one of Australia’s largest rooftop solar arrays. This will have a capacity of up to 6MW providing power for Tonsley businesses, organisations and residents.

Building an innovation district

In the past 12 months Tonsley has grown substantially.

$20 million in capital works.

$6 million in land sales.

8 buildings completed.

Completion of $6 million privately funded ZEISS tenancy in the MAB.

1.810m of footpaths constructed for pedestrians and cyclists to use.

Tonsley Village

In 2018, Tonsley Village, the 11-hectare residential development was launched.

30 apartments under construction.

50 terrace allotments constructed.

Over $26 million of construction commenced.

In addition to Tonsley’s forests, Town Square, plazas and sporting facilities, tenants have access to over 15 parklands and recreational facilities within a 1km radius.
